## ABOUT

**QSoft** and Information Services is a Closed Corporation, BEE certified and APSO member, which has started operating since April 2009 and offers services in the areas of Recruitment, Software Testing and Information services.

It has one founder/ member, Chris Tomlinson who has 23 years work experience, having worked for Insurance, Transport and Software companies. Chris work background is quite diverse, having started out as an Admin Clerk, then moving into the Technical Assistant, User Support and Training, Business Analysis, Development areas and finally moving into his field where his passion is, namely Software Quality Assurance and Software Testing.

Chris has 10 years software testing experience and has successfully tested major software systems, led, mentored and managed testing teams.

His qualifications include a Diploma and Degree in Information Technology which was obtained through part-time study. Future studies will focus on a Masters in Software testing.

Lynn Tomlinson runs the HR side of the business and has had 18 years experience in the Employee Benefits Division / Corporate Solutions of a major Insurance Company where she was Scheme Manager prior to leaving to work at QSoft and Information Services. Lynn has a Bachelor of Commerce Degree (BComm), majoring in Business Management and Industrial Psychology which was obtained through part-time studies.

## *SOCIAL COMMITMENT*

The main focus would be to assist organisations who provide support to underprivileged children by ensuring that they are given an opportunity to be able to focus on their education.

QSoft and Information Services is currently involved with the Melkbos Care Centre [www.ubunye.org](http://www.ubunye.org) having supplied them with groceries and providing free computer lessons on Saturday mornings which will be given by Chris Tomlinson.

In addition to the above, QSoft and Information Services will donate goods or money of all contract work received to this cause. Our aim is to be able to expand social commitment support as our company grows.
